

Welcome to BigBlueButton

If it's your first time using this software, we recommend you to watch the following videos.

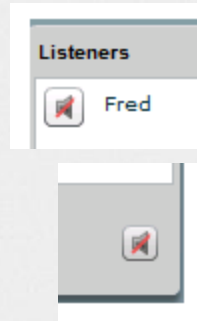

[Teacher Overview](#)

[Student Overview](#)

Teacher:

- ✓ You can mute any student by clicking their speaker icon in the listeners window.
- ✓ You can mute all users by clicking the 'mute all' button. (The above video shows more of this.)

Everyone:

- ✓ Use the Talk/Mute button to mute yourself to minimize background noise.
